Hope you are both having a fantastic summer. I'm reaching out to find a way to push ahead with a partnership between Ripple and Gemini to list XRP on your exchange and support XRP in your custody business.

We've tried a couple different approaches (offering to cover implementation costs, paying rebates, brokering intros to large XRP holders for custody), but none seem to move the needle.

Does a \$1M cash payment move the needle for a Q3 listing?

Patrick
